

The Hare And The Tortoise

One day a Hare was boasting about how fast he could run. He was laughing on the turtle for being so slow.

After seeing the overconfidence turtle challenged him to a race. Hare(Rabbit) laughed at turtle's challenge and he accepted the challenge.

As the race started, hare ran very fast and went far ahead from the turtle and got tired.

He thought there was plenty of time to relax as turtle was very far behind. Soon he falls asleep thinking he would win the race easily.

Meanwhile, turtle(tortoise) continue to walk slowly, until he reaches the finish line. The overslept hare sees the turtle on the other side of the finish line. The Turtle had beaten him in the race.

Moral: Slow and steady wins the race.
